Subject: NOTICE OF ELECTION TO RETAIN TITLE TO DEFENSE
PROGRAM INVENTION UNDER CLASS WAIVER W(C)-96-004

Dear Mr. Daubenspeck:

Pursuant to the terms of Contract W-7405-ENG-48 between the Department of Energy (DOE) and the Regents of the University of California (University), and subject to Class Waiver W(C)-96-004, we submit an Election Memorandum for the following invention:

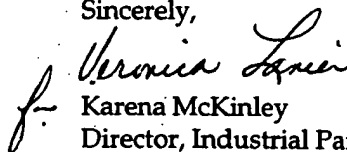

DOE Case No. S-85915
LLNL Docket No. IL-9928
Integrated Optical Capillary Electrophoresis Chemical Microsensor
Inventors: Anthony J. Ruggiero

The University has reviewed the subject invention disclosure with respect to: (1) export control; (2) United States preference/competitiveness; and (3) adverse impact upon the Naval Nuclear Propulsion Program and other nuclear and/or atomic energy defense activities of the Department of Energy and agrees to comply with all statutes and regulations governing export control, U.S. preference/competitiveness, and the Naval Nuclear Propulsion Program, et al., in dealing with the subject inventions. (A copy of the Invention Disclosure including a Classification Review, and an original signed Export Control Review for Licensing and Patents form are attached to the enclosed Election Memorandum.)

Further, the University agrees to comply with Clause 66.1.F governing technology transfer activities under Contract Number W-7405-ENG-48.

Your prompt review of this Election Memorandum will be appreciated.

Sincerely,

Karena McKinley
Director, Industrial Partnerships
and Commercialization
